TTP – TEMPORARY TRANSFORMATION PAYMENT – Hourly rate notice

As per current NDIS Pricing 2019-20, Flexi Queensland as a provider of attendant care and community participation supports who meet the eligibility criteria set out below will have access to a higher price limit through a Temporary Transformation Payment (TTP). This conditional loading will assist providers to continue transforming their businesses in the move towards a more competitive marketplace. This replaces the Temporary Support for Overheads. In order to access the higher TTP price limits, providers will have to:

- publish their service prices;
- list their business contact details in the Provider Finder and ensure those details are kept up-to-date; and
- participate annually in an Agency-approved market benchmarking survey.
